Training Facility

L-280 Followership to Leadership

This training course is designed as a self-assessment opportunity for individuals preparing to step into a leadership role. The course combines one day of classroom instruction followed by a second day in the field with students working through a series of problem solving events in small teams (Field Leadership Assessment Course). Topic areas include:

- *Leadership values and principles
- *Situational leadership
- *Ethical decision-making
- *Transition challenges for new leaders
- *Team cohesion factors
- *After Action Review Techs.

Target Group: Personnel desiring to be qualified as a Single Resource Boss, and/or personnel desiring to develop their leadership skills while making the transition to Company Officer.

Prerequisite: L-180 offered June 3, 2010; see course announcement on www.heartlandfiretraining.org

Pre Course Work: “Leadership Secrets of Attila the Hun” by Wess Roberts. Book and assignment will be sent to you. **THIS ASSIGNMENT IS A MUST FOR CLASS PREPARATION!**
